

Mathematics

Counting and Cardinality

- Know number names and the count sequence.
- Count to tell the number of objects.
- Compare numbers.

Operations and Algebraic Thinking

- Understand addition as putting together and adding to, and understand subtraction as taking apart and taking from.

Number and Operations in Base Ten

- Work with numbers 11-19 to gain foundations for place value.

Measurement and Data

- Describe and compare measurable attributes.
- Classify objects and count the number of objects in each category.

Geometry

- Identify and describe shapes.
- Analyze, compare, create, and compose shapes.

Mathematical Practices

- Make sense of problems and persevere in solving them.
- Reason abstractly and quantitatively.
- Construct viable arguments and critique the reasoning of others.
- Model with mathematics.
- Use appropriate tools strategically.
- Attend to precision.
- Look for and make use of structure.
- Look for and express regularity in repeated reasoning.

Technology

- Learn basic operations and concepts
- Use productivity tools that include word processing, database, spreadsheet, graphics, multimedia
- Use communication tools
- Use technology for research
- Use network skills
- Use technology ethics
- Continue to utilize coding skills

Bible

Building on the Rock themes for Grades 2–5, are entitled

Fellowship
Image-Bearing
Servanthood
and Stewardship

Each theme will focus on the four relationships of creation. Each theme develops four Biblical Truths within the framework of creation, fall, and redemption. The first two Biblical Truths within each theme address God's creational intent for the relationship. The third Biblical Truth focuses on the effects of the fall on the relationship, and the fourth on the redemption and restoration of the relationship through the atoning work of Christ.

Fifth Grade Curriculum

Matthew 5:14-16

"You are the light of the world. A city set on a hill cannot be hid. Nor do men light a lamp and put it under a bushel, but on a stand, and it gives light to all in the house. Let your light so shine before men, that they may see your good works and give glory to your Father who is in heaven."

*Educate the Mind
Nurture the Spirit
Change the World*

Fifth Grade Reading

Read Grade Level Text

- Read and comprehend text accurately.

Comprehension: Key Ideas and Details

- Quote accurately from a text to make inferences and demonstrate understanding.
- Determine main idea(s) and themes.
- Summarize text.
- Describe causes and effects between characters and events.

Comprehension: Craft and Structure

- Determine the meaning of words and phrases including content-related words and figurative language.
- Use text structure and text features in informational texts
 - Cause and effect
 - Chronological
 - Problem/solution
- Compare and contrast including content-related words and figurative language.
- Use text structure and text features in informational texts
 - Cause and effect
 - Chronological
 - Problem/solution
- Explain text structure and text features in literature
 - Poems (verse, rhythm)
 - Drama (dialogue, settings)
- Describe and analyze points of view.

Comprehension: Integration

- Analyze information from illustrations, print, and digital texts to deepen understanding.
- Explain how authors use reasoning and evidence to support their points.
- Compare and contrast themes and topics.
- Use information from multiple texts in research.

Physical Education

- Understand skills and concepts of sports/fitness.
- Participate actively, cooperate with others and stay on task.
- Understand how to follow directions
- Contribute positively.

Health

- Study the Family Life and Sexual Health unit.
- Understand the basic components of fitness.
- Read nutritional labels.
- Study human body systems.

Music

- Read, note, and perform rhythm.
- Hear, discriminate, perform, read, and note pitch.
- Listen to, analyze, demonstrate, and describe qualities of sound
- Identify simple music forms.
- Experience and perform independent parts while others sing or play.
- Understand and creatively interpret expressive markings and cues.
- Sing alone and with others, a varied repertoire of music.
- Understand music in relation to history and culture.

Social Studies

- Learn about life as a colonist
- Study maps and exploration
- Learn about settling a new world
- Study the constitution
- Learn about the Revolutionary War

Writing

Analyze Ideas, Select Narrow Topics, Elaborate and Organize

- Write narratives using effective technique, descriptive details and clear event sequences.
- Write opinion pieces supporting point of view with reasons.
- Write informative texts to examine a topic and clearly convey information.
- Use leads, transitions and organization.
- Elaborate on ideas.

Write for Different Audience and Purpose; Uses Sentence Variety

- Use descriptive language to convey emotion, dialogue, thought to bring story to life.
- Use sentences to create tone.
- Include facts, evidence and figurative language to make a point.
- Use words to show expertise on a subject.

Conventions

- Use grade appropriate grammar and conventions in writing.

Analyze and Evaluate Own Writing

- Reflect on writing, revise and set goals.

Science

- Matter
- Gravitation
- Study fossils
- Perform experiments with plants
- Study life sciences
- Atmosphere Layers
- Water
- Weekly STEM lab activities
